Was a very useful and interesting experience that gave me a good insight into being a barrister.

This opportunity to see the work of barristers first-hand has given me a better insight into life at the Bar

“I would truly recommend undertaking a mini-pupillage at Pallant Chambers to anyone thinking about a career at the Bar.

“Working at your chambers as a mini-pupil was a great experience as I was able to get extremely useful insight about working as a family law and civil law barrister.

“The Barristers and clerks were all extremely welcoming. The barristers were all extremely professional and knowledgeable.”

“I also had the opportunity to interact with experienced barristers and gained invaluable advice for my future legal career. I particularly loved the atmosphere of the chambers as everyone was very welcoming and courteous.”

“I would highly recommend to all aspiring barristers to apply for a mini-pupillage at Pallant chambers.”

“I felt extremely welcome throughout my mini-pupillage. The clerks at the Chichester office were extremely organised throughout my mini-pupillage and extremely welcoming. They always checked in with me to ask how I was finding my experience and tailored who I was shadowing to my areas of interest. The barristers were also very welcoming, they took time out of their schedules to answer questions about the case, as well as more general questions about life at the bar and chambers.”
